

THE SCHOOL DISTRICT OF PHILADELPHIA

General Philip Kearny Elementary School **School-Parent Compact**

School Year 2022-2023

Revision Date:

4/21/2022

Dear Parent/Guardian,

JOINTLY DEVELOPED

The parents, students, and staff of the General Philip Kearny School, partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held during the spring of each year to review the compact and make suggestions based on student needs and school improvement goals. This year, that meeting took place on March 9, 2022. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.
